

REQUEST FOR INSPECTING ARCHITECT'S/SURVEYOR'S ADVICE

To (Architect/Surveyor name and practice):

Louise Rendell, St Anne's Gate Architects LLP, The Close, Salisbury, Wiltshire, SP1 2EB

From Church of the Holy Ascension, Hyde

We are planning the following works or changes to the church:

You have given your approval for the new audio-desk. We also plan to install a screen and a projector, supported by "the Benefice of the Future". We plan to install a dual motor screen concealed behind the chancel arch. The projector will be fitted to one of the diagonal trusses - in both cases the wiring will go where we already have existing wiring and trunking.

It is intended that the work will be undertaken by:

Purple Cat Ltd or Just Projectors Ltd - both provide the same equipment.

We should be grateful if you would complete and return this form, which will be forwarded to the Diocesan Advisory Committee with our application for a DAC Notification of Advice.

Signed: [Signature] Name: Mrs Heather M Clark

RESPONSE FROM THE ARCHITECT/SURVEYOR

(*Please delete as applicable)

*I am happy that the above works should be undertaken

~~*I have the following reservations/comments:~~

Four horizontal dotted lines for handwritten notes.
