## GENERAL NOTES:

- 1/ Final confirmed flight details will be available in May 2021 when the airline prices and schedules are in their system range.
- 2/ The final price will be available by May 2021 when both airlines and the land services have confirmed their 2022 rates and prices. However as a realistic guide, we expect the price to be in the area of £1780 per person which is a nominal 5% increase on the 2020 price. The single room supplement is expected to be around £264.  
This is based on the exchange rate of the Pound/Euro at 1.20 although by 2022, the markets do expect the Pound to significantly strengthen and, if this is the case, we would adjust your final account accordingly.
- 3/ If the subsequent price is not within your budget and you have to cancel, your payments to date will be refunded.
- 4/ On receipt of your deposit and stage payment, we will send you a complimentary copy of the 2020 Passion Play Book which will most probably be applicable for 2022.

---
