

The Parish of Christchurch

Christchurch Priory - St George at Jumpers - St John at Purewell

Christchurch Parish Meetings hosted on Zoom - user agreement and instructions

(Meetings involving young people have a separate agreement issued individually to parents and carers)

Before accessing a Zoom meeting hosted by Christchurch Parish, please read this statement carefully. It may help with any questions about safety and explains the terms under which we host our Zoom meetings and your responsibilities as a participant. This is in the interests of everyone's online safety and data protection.

By hosting meetings using a Parish Zoom account, the Parochial Church Council (PCC) of Christchurch and authorised meeting hosts undertake that:

Contact details (names and email addresses/phone numbers) of participants will be stored by the Parish of Christchurch in accordance with GDPR legislation.

In the case of temporary courses open to other churches, details of non parish participants will be deleted once the course is over.

Participants will be kept updated of any change of meeting details

Meeting hosts will not record images, video or audio of the meeting by any means.

By accessing the meeting, participants agree:

That they accept the terms and conditions of Zoom software (<https://zoom.us/terms>).

That all personal contact details they have provided (names and email addresses) may be stored by the Parish of Christchurch in accordance with GDPR in order to keep them updated with details of the meetings they have registered for

That they are at least 18 years of age. The named contact must always be present if any members of the household aged under 18 attend the meeting.

To keep meeting login details and passwords private and not to share them with any other person.*

To maintain confidentiality by not recording images, video or audio of the meeting by any means.

Online access

Please use your own name as your Zoom screen name so the host knows who you are and can admit you. You do not have to be visible on video during the whole meeting if you prefer not to, but please check you have joined using audio.

.

Meeting Details

Use the meeting ID and password given to you. These should not be shared with anyone, as stated in the agreement.

Waiting Room

You may then get a message that you are being held in a waiting room, or that the host has not yet started the meeting, but hopefully that means you are in the right place and you will be admitted once the meeting has begun.

Any questions to conference@christchurchpriory.org.

Please check your spam filter emails as from this domain often end up there!
